

Monkey Wellbeing Survey Results December 2015

St Damian's Surgery, Melksham (branch site) = 17 surveys completed

Would you tell your friends that this is a good GP practice to come to?

We are happy to hear about both what was really good and what we could do better

What was good?

- Seeing the nurse and getting stickers and sweets
- The doctors are really friendly
- Staff are great as well as the Doctors and Nurses
- Doctors, reception lady's
- Yes
- Friendly and happy
- Yes

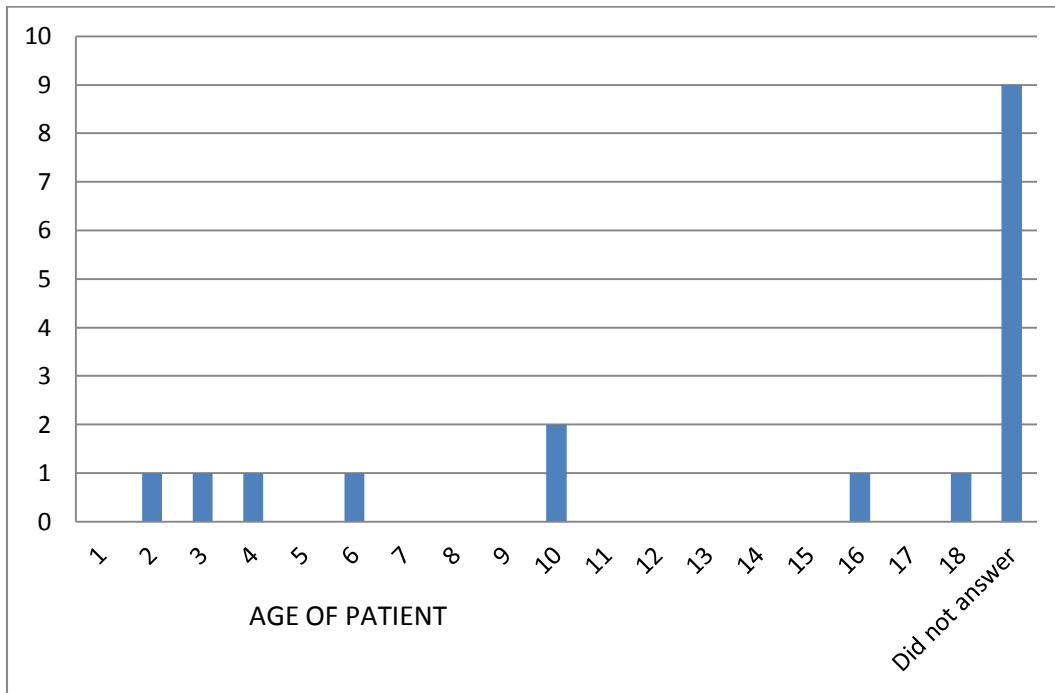

What could we do better?

- More toys to play with
- There is nothing you can do better
- Everything is very good
- I can't think of anything

15 patients took time to do a drawing of their visit.

Drawings which had contact details on the back will be entered into a Patient Participation Group competition. First prize wins a cuddly monkey! Entries will be judged by members of the PPG at their next meeting on 8th March 2016.

Number of surveys completed by age:

Gender:

18% Male, 35% Female and 47% Question not answered.

Do you have any additional needs?

Two patients stated an additional need:

- Speech and language
- Sometimes
