Advice on natural methods

Testing and treatment for Sexually
Transmitted Infections (STI's)

We have both appointment and walk-in
services but all emergencies will be seen.

You will be given the condoms, pills or
whatever you have been prescribed to
take home with you.

CONFIDENTIAL SERVICE

We shall not tell anyone that you have
been to see us unless YOU request it.

We see people of all ages.

For help and advice when the office is
closed you can telephone the clinics
during their opening hours.

COMPLAINTS AND COMPLIMENTS

If you would like to discuss any aspect
of your care in a clinic please tell the
receptionist or clinic staff or write to:
